

## Registering for Classes Online

[WWW.MYACTIVESENIOR.COM](http://WWW.MYACTIVESENIOR.COM)

The Lou Walker Senior Center offers a variety of classes for its members. To take a class, you must first sign up. The My Active Center website is an easy and convenient way for you to sign up for the classes you are interested in. This guide will walk you through the process of getting registered and signing up for class.

Before you register on My Active Center, you need three things:

**1 – A current email address.** Please have your current email address ready, or create an email before attempting registration. If you have never created an email address before, a family member or friend may be able to assist you, or you can contact the Lou Walker Center for help.

**2—Your ID number.** This is a seven digit number that starts with the letter X. The number is issued by Lou Walker Senior Center when you become a member.

**3—The phone number** that is on file with the Lou Walker Center.

Now that you have all of your information handy, the first step is to register in the system so that you can log on and use it anytime.
