REPORT FROM SPECIAL EVENTS COMMITTEE – September 2018 MEETING

The Gospel Music Fest participants have completed two rehearsals with the pianist for the event. Participants include individual singers and two dance groups – the Ladies of Zion and the Beulah Boys. This program will be held on September 7, from 2:30 pm to 4:30 pm.

We have already begun work on the Afternoon of Jazz Program for November 16, 2018 and the Christmas Lighting Program, scheduled for December 3, 2018. Galaine Knox is the Project Leader for the Jazz Program and we have met regarding the program outline and possible participants. An individual was asked to be the Project Leader for the Christmas Program (and I am waiting on confirmation).

After Board approval for the events for 2019, documentation was submitted to the Administrative Office. These events have been put on the center's calendar:
